

April 18, 2006

This letter is refer Full Service Chimney  
to anyone who has need of chimney servicing  
Robert Berry has serviced my fireplace for the  
last three years.

He has done a good job of cleaning and inspecting  
my fireplace and chimney. He always shows up  
on time and I have had no problems with  
his office staff in scheduling an appointment.

I have no problem in referring Full Service  
Chimney.

James W. Thorne
